Ch. Fyrehouse Fiona (Ch Daisydot Checkered Flag X Fyrehouse Phoenix)

We were so delighted with our first litter which produced Fiona & her wonderful siblings (10 total) that we repeated the breeding to Desoto (Ch. Daisydot Checkered Flag).

We have 9 more Fyrehouse Phoenix X Desoto pups
(born February 21, 2009).

Thank You Dennis... We are very excited!

*Noted for exquisite temperament,
strong bone structure and excellent reach.
As a breeder, I delight in the love and joy brought
to the families who get a Fyrehouse pup.*
